English

81% recruiters said Cross Cultural Communication is an important skill for grads students. * Developing this set of skills can become a challenge, especially when executives lack the time or chance of going back to school to strengthen their management abilities.

The EGADE MBA Online is a program for high achievers who aspire to shape their way in the ever-shifting landscape of global business. Live the EGADE experience with the flexibility you need to improve your career without any geographical limitations. Enjoy exclusive opportunities to study abroad and master skills that will make you an outstanding leader within in your professional field.

Who is this program for?

This program is targeted to senior executives and professionals with an average working experience of 11 years and a demanding lifestyle, but who aspire to improve their leadership and management skills to grow faster in their organizations or diversify their job opportunities.

**Global Gender Gap Report 2023, World Economic Forum*

Everything that makes **EGADE MBA Online unique**

A senior-oriented MBA

Study an MBA with senior executives and professionals with ample experience in their fields.

Connect with the business environment.

Expand your network and meet colleagues, professors, entrepreneurs, and graduates of the EGADE community. Develop enriching perspectives on business and diversify your professional opportunities.

Consulting projects for real companies

Put your skills to the test by carrying out real consulting projects focused on offering solutions to renowned companies and organizations.

Lead the digital transformation your company needs

EGADE MBA Online offers a special concentration in digital transformation to give you the tools to implement digital initiatives and projects within your organization.

Life-changing international experiences

Get the opportunity to enhance your business skills with our exchange programs. Study courses that range from week-long programs to a double degree with prestigious international schools

Learn from anywhere

The online format gives you the flexibility and convenience of achieving your professional and academic goals without the need of assisting to a regular classroom.

The world needs disruptive leaders

All programs at EGADE Business School revolve around the development of a renewed vision of business and skills that allow students to transform their organizations and society.

Rethinking the future of business

The need for solutions to social and economic problems is more important than ever. EGADE Business School is a space where a new generation of leaders can develop initiatives that will break the status quo of business and contribute to transform companies and people's lives in a sustainable way.

A transformative global vision

We seek to contribute to the creation of a global learning community that allows our students to acquire new perspectives and knowledge through global experiences, contact with people around the world, and the opportunity to collaborate with other experts in their field.

A high-impact faculty in business and research

By studying at EGADE Business School, you will learn from a faculty balanced between the academy and business. We have professors with careers as C-level executives at international companies and specialists who contribute to the fields of management and financial sciences with new knowledge and contributions.

A world-class business education wherever you are

Learn the foundation of business science and how to apply these skills with a future-focused lens.

- 1 Live Learning**
Most lectures in the program are taught live, so you will have a unique virtual experience that allows you to learn directly from your professors and colleagues.
- 2 Digital Classroom**
The online classroom is intuitive and collaborative by design; equipped with tools that let you stream in HD, annotate during class, and record a live session.
- 3 Create a plan of personal growth**
Receive personalized advice from the Career Services department to strengthen your areas of opportunity and develop a career plan to position your talent quickly and competitively.
- 4 EGADE MBA National Meeting**
Participate in the EGADE MBA National Meeting and meet your classmates from other campuses in an intensive learning experience.

Financial and Educational Aid

EGADE Business School recognizes the effort of students with outstanding careers and their goal of studying a graduate's program to enhance their professional growth. That is why we have several financial and educational aid options to complement your investment.

Aid from financial institutions

External financing solutions to cover part of the tuition.

Institutional Partnerships

Agreements with companies to boost their executives skills.

EGADE Business School Financial Aid

Aid granted to students with an outstanding career.

Financial aid for foreign students

Financing solutions and scholarships that allow international students to study at EGADE.

Aid from financial institutions

Tec Educational Loan

It is a financing program that defers the payment of a percentage of your graduate tuition.

FIDEREH

A federal trust, administered by Banco de México, to finance postgraduate studies of Mexican students.

Laudex

Financial organization specialized in granting credits for educational purposes in Mexico, which can cover everything from monthly payments, registration to debts or graduation costs.

Estudia más

Organization that provides credits to give students the financial options and tools so that they don't have to worry about financing and focus on their personal and professional development.

Institutional Partnerships

Students working for a company, institution or organization that has an ongoing partnership or agreement with Tecnológico de Monterrey will get a cost reduction on their tuitions depending on each partnership.

EGADE Business School Financial Aid

EGADE Talent

Financial aid for candidates who show academic and/or professional excellence, leadership potential and contribute to the values, diversity, and vision of EGADE Business School.

Empowering Business Women

Financial aid created to direct the talent of extraordinary women towards their maximum potential, financing a percentage of their postgraduate studies and offering mentoring with great experts in their field of interest.

The EXATEC Tuition Agreement

This type of financial aid is granted only to Tecnológico de Monterrey's alumni who get a cost reduction in their tuition.

Financial Aid for International Students

1

Talento Internacional EGADE

Financial aid director to attract top international talent who are not only interested in business and innovation, but also have enormous leadership potential.

2

GUATEFUTURO (Guatemala)

Guatefutura is a nonprofit organization committed to broadening Guatemalan talent by promoting, guiding and financing Guatemalan professionals who have demonstrated academic excellence and wish to carry out their postgraduate studies in top foreign universities.

3

HONDUFUTURO (Honduras)

HonduFuturo is a nonprofit organization in charge of promoting, guiding and financing Honduran professionals who have demonstrated academic excellence and wish to carry out their postgraduate studies in top foreign universities.

4

FAFSA

Financial aid for residents and citizens of the United States with low interest rates to help students finance their education.

Meet some outstanding members of our faculty

Elliot Kruze
*PhD in Psychology at UC
Riverside, University of California*

Dr. Elliott Kruse centers his research on how values shapes leadership. He is interested in ethics, motivation, and decision-making. He has co-authored several books including "Boosting State Humility Via Gratitude, Self-Affirmation, and Awe: Theoretical and Empirical Perspectives". He was a postdoctoral researcher at the Owen Graduate School of Management at Vanderbilt University and an associate researcher at Princeton University.

Juan Carlos Rivera
*PhD in Global Business
Administration at International
School of Management Paris*

Rivera is professor at the department of strategy and leadership at EGADE Business School and a consultant in the Executive Education Department. He has extensive academic and professional experience on international business, global strategies, negotiation strategies, international education, and political economy. He has worked for several corporations like the International Education Institute, United Nations, The World Bank, OCDE, Fedex, Unilever, P&G, among others.

Cristiane Molina
*PhD in Administrative Sciences at
EGADE Business School*

Molina is the academic and research director of the Conscious Enterprises Centers and professor in the Department of Strategy and Leadership at EGADE Business School. She worked for the telecommunications industry as a consultant for Detecon Inc. She is also a candidate member of the National Research System. Her research has been published at Business & Society and Advances of International Management.

Redefending the way of doing business

When talking about business, it is essential **to go further and reflect on how companies contribute to the well-being of society**. Under this mindset, **EGADE Business School** has sought to contribute to the training of leaders and companies that **rethink the way of doing business** to sustainably impact the development of Latin America.

By placing students as the agents of change of their growth, we aspire to **educate executives, specialists, and entrepreneurs** with a disruptive vision that lets them create new solutions to global and business challenges.
